EXPERIENCE

CodeClouds IT Solutions, Kolkata — Sr. Engineer

JUNE 2024 - MAY 2026

1. Led and mentored developers, handling task distribution, code reviews, and on-time delivery of software solutions
2. Collaborated with clients to gather requirements, propose solutions, and communicate project progress
3. Built responsive, scalable web applications using React.js, TypeScript, Vue.js, and Next.js
4. Built RESTful APIs and backend services with Node.js, Express.js, and Laravel (PHP), using MongoDB, PostgreSQL, and MySQL
5. Optimized application performance and scalability, and established CI/CD workflows with Git and AWS to enable faster, more reliable deployments

Kadel Labs Private Limited, Kolkata — Sr. Software Engineer

SEPTEMBER 2023 - APRIL 2024

1. Developed large and complex modules for enterprise web applications using React, JavaScript, jQuery, and Git for version control
2. Mentored team members through code reviews and knowledge-sharing
3. Built server-side logic and APIs using Laravel (PHP) and MySQL

Infotechsolz, Kolkata — Web Application Developer

MARCH 2019 - JUNE 2023

1. Developed project features and maintained efficient development workflows using PHP, Laravel, CodeIgniter, and Git
2. Delivered large-scale projects with senior developers using React and Vue.js
3. Developed and maintained back-end systems, internal websites, and front-end features using Node.js, Express.js, and JavaScript/jQuery
4. Collaborated with designers to build intuitive and user-friendly interfaces, with MongoDB and MySQL for data persistence
